Bad Condition of Wheat in Shock in Minnesota—Weather of Marshall County, Minn., who has charge of a 6,000-acre farm in that county, and who is in the city, says that wheat in shock is still in bad condition, but not so damaged as in North Dakota. With good weather and plenty of men and machines, he thinks a large portion of the grain can be saved, although the grade will be lowered. The loss at best will be from 10 to 15 cents a bushel, or about 100,000 bushels.

## REMARKED ON PIKE'S PEAK.

Events on Record. COLORADO SPRINGS, Colo., Oct. 9.—Among the passengers who went to Pike's Peak yesterday morning were Mr. A. Freeman and Miss Emma J. McGraw. The latter is a daughter of the late Senator John A. McGraw. It was noted that something unusual was to occur. When the train finally reached the Summit House the passengers gathered at the front of the signal station, the most beautiful view of the romantic marriage on record. Standing there surrounded by strangers with a bright sunshine falling upon their heads, with glittering snowdrifts on every hand, the happy couple were made husband and wife and completed the highest marriage ever performed on terra firma.
